■ Reference : **Call for applications: University Performing Arts Festival**

Dear Colleagues,

The Direction of Cultural Affairs and Student Initiatives (DCI) and the Direction of International Affairs are glad to launch a call for candidates for the 6th Edition of the University Performing Arts Festival (Festival de la Création Universitaire) of the University of Angers, which will be taking place from Wednesday, 4th April 2018 to Saturday, 14th April 2018.

The University of Angers wishes to highlight the talents and the artistic skills of university students and staff of our university and of our partners.

This year, once again, university creativity, in the broadest sense of the term, will be celebrated: theatre, dance, music, photography, plastic arts, cinema, street arts, brass bands...

This festival, which is open on an international level, has been created in a spirit of sharing and exchange. It is a unique opportunity to discover unknown artistic expressions and to build special relationships among artists.

We would appreciate if you could spread this call for application among all those students and staff of your university, who might be interested. Please find attached here the 3 documents, which are necessary to apply.

The full application form is to be returned by Thursday, 7th December 2017 to dcf@contact.univ-angers.fr

You will find more information on the Festival de la Création Universitaire on the official site of the University of Angers: www.univ-angers.fr/culture

Kindest Regards,

Jean-René MORICE
