

11th October 2018

Dear Mr Photopoule,

The University of Cyprus invites the Embassy of the Hellenic Republic to the next Postgraduate Studies Fair 2018, which will take place on campus on Thursday 11 October 2018, from 11:00 am to 15:00 pm (University of Cyprus, Social Activities Building, 1 Panepistimiou Avenue, 2109 Aglantzia, 1678 Nicosia, Cyprus).

The purpose of the Postgraduate Studies Fair 2018 is to give students and graduates the opportunity to get information regarding the available postgraduate programs at the University of Cyprus, and in other Universities abroad. At the same time, the interested candidates will get information about the admission process, the tuition fees, accommodation options, funding opportunities, as well as other issues regarding their postgraduate life.

The presence of your organization in the Postgraduate Studies Fair 2018 is important for the students and graduates who are interested in continuing their studies in Greece. We believe that the Fair is a great opportunity for you as well, in order to promote your country as a learning destination. We undertake a targeted marketing and promotion, including, but not limited to, social media, online, email campaigns, posters and flyers.

Regarding the procedure, we would like to inform you that a booth for informational material and Wi-Fi internet access will be provided to you free of charge. Please note, that due to limited space, participants will be accommodated on a first come, first served basis.

Therefore, we would be grateful if we receive your response no later than 31st August 2018, by completing the online participation form.
