

ENEA INTERNATIONAL FELLOWSHIP PROGRAMME

Call for applications

With the purpose of contributing to the creation of the European Research Area, the ENEA International Fellowship Programme aims at helping researchers to reach or reinforce a position for professional maturity and independence.

In this framework, ENEA invites applications for 8 international research fellowships open to researchers willing to spend a mobility period working in [ENEA Research Centres](#).

The deadline for applications is **March 13, 2015**.

Fellowships are being awarded to early-stage researchers with less than four-year research experience, since gaining a University diploma giving access to doctoral studies. Candidates will carry out research activities in a broad spectrum of ENEA R&D programmes referring to the main theme of EXPO Milano 2015 “Feeding the Planet, Energy for Life”.
